# PRESIDENTS REPORT

## Madeleine Sherwood

What an incredible year it has been. I can't quite believe that my year as President of the Rotary Club of Beecroft is coming to an end.

This report gives you an indepth look at what we have achieved as a club over the past 12 months. It has been a humbling year working alongside such dedicated and passionate Rotarians, their partners and our friends of Rotary.

From colouring in competitions, to ANZAC Day Services, Australia Day Celebrations, community engagement and youth events, and our incredible fundraising initiatives, I could not be more proud of everything the Rotary Club of Beecroft have achieved this year.

I would like to take this opportunity to personally thank The Rotary Club of Beecroft for an incredible year, and acknowledge the individual contributions of each member. We would not have been able to run everything that we did this year without your support.

To my Board, who have supported, encouraged and help my vision of the Rotary year come to life, I would also like to say a huge Thank you.

I appreciate beyond words the time, energy and effort you have put into making this year a success.

Thank you all for an amazing year.

Yours in Rotary,

President Madeleine

# TREASURER'S REPORT

## Russel Zimmerman

The Treasurer's report shows the club accounts' estimated position as of 30 June 2023.

Please note that the submitted accounts are in draft form only. These accounts are based on actual receipts and expenditures from 1 July 2022 to 8 June 2023, and estimates of income and spending to 30 June 2023. It is unlikely that there will be any material change in the figures by the year-end.

As all members pay a weekly administration fee and purchase their meals, no significant changes to the General Account will be made. As the bookshop trades each week, we expect a further \$2,000 in income to the Project account.

As the Rotary Club of Beecroft Pre-Loved Bookshop Coordinator, I would like to thank the community volunteers and the members of the Club that have assisted at the bookshop. In evaluating the income for the year, the income was derived from four main activities:

- Bookshop Income \$52,409.86
- Christmas Raffle \$ 8220.10
- Profit from the sale of Beecroft Spirit Gin \$ 2827.78
- Young @ Heart Event \$1,813.00

Unfortunately, due to having to relocate the bookshop in April 2023, there was a significant amount of Capital Expenditure in fitting out the bookshop in its new location.

## General Account

The year commenced with an opening balance of \$2,932.78, and we should finish the year with an amount of \$5,400 carried forward to the new Board. Expenses still to be paid are \$300 to Centurion Fund and an allowance of \$1,000 subsidy for Changeover.

Details of the income and expenditure for the year are below:

General Account	INCOME	Expenses
Admin & Meals	\$ 9,252.30	\$ 6,806.36
Advertising		\$ 263.40
Members Dues	\$ 12,227.75	\$ 10,116.91
Other	\$ 1,050.52	\$ 737.75
Merchant Facility Fee Bank		\$ 733.83
MYOB Access Fee		\$ 467.50
	\$ 22,530.57	\$ 19,125.75
Excess income over expenditure		\$ 3,404.82

## Project Account

We commenced the year with an opening balance of \$16,585.33, and we expect to hand over to the incoming Board an amount of \$18,328.61. Accounts yet to be paid are:

- Bookshop rent for May \$490.17
- Bookshop rent for June \$500.00, approximately
- RYPEN Timor \$6,600
- Income Bookshop three weeks in June \$2,000.00
- ANZAC Wreaths Invoiced income not received of \$420.00

The current Board has committed funds for the following projects, however these will not need to be paid after the 30th June.

- West Pennant Hills Rotary Global grant request \$4,500
- Beecroft Global Grant \$2,000
- Vocational Awards evening \$2,000

This gives a total of \$8,500, further commitments, allowing the new Board approximately \$12,000 to commence their year. Details of the Club's income and expenditure for the project account appear on next page.

Project Account	Income	Expenditure
ANZAC Day	\$ 349.21	\$ 1,157.75
Bookshop	\$52,409.86	
Bookshop Electricity		\$ 1,072.68
Bookshop Capital Expenditure		\$ 8,381.44
Bookshop Rent		\$ 8,394.15
Sub station	\$ 100.00	\$ 7,357.30
District Grant Return of Funds (2022- 2023)		\$ 1,250.00
End Polio Donation		\$ 1,810.00
Young @ Heart	\$ 1,813.00	\$ 1,845.28
Donations to Rotary Club of Beecroft	\$ 201.95	\$ 200.00
Donations for Flood Victims		\$ 2,800.00
Donation to Rotary foundation		\$ 5,690.00
Donations to Global grants		\$ 7,822.50
Bank Fees	\$ 0.24	\$ 19.00
Sale of Gin	\$ 2,827.78	
National australia day Income	\$19,766.40	\$ 19,766.40
Raffle Xmas	\$ 8,220.10	\$ 570.00
Merchant Service Fee		\$ 252.44
Youth Expenses		\$ 8,398.15
	\$85,688.54	\$ 76,787.09

Of the above funds, \$18,322.50 have been in "donations."  
 \$7,357.00 has been spent on the Sub Station (Community).  
 Young @ Heart was self-funding. Although we spent \$8,398.15 on youth projects, funding from Beecroft Spirit Gin assisted with funding of \$2,827.00.

Further funds were raised at the Youth Awards which offset the Youth Awards expenditure by approximately \$1,550.00.

As the Club Treasurer for President Madeleine Sherwood for 2022 to 2023 it has been a most rewarding and pleasurable task. Congratulations to President Madeleine and the Board for a successful year.

I also wish President-Elect Christian Kirkendall and his Board the best for 2023 to 2024.

**Russell Zimmerman**

Treasurer and Pre-Loved Bookshop Convener

# ADMINISTRATION REPORT

## Christian Kirkendall

I'd like to start off by giving a big thank you to all the people involved in ensuring the admin portfolio had a successful year under President Maddy's guidance. Thank you President Maddy for running all of our meetings over the last year ensuring they ran smoothly and successfully.

Thank you to all the members for joining us on all our social activities organised throughout the year and assisting in administrative tasks throughout the year.

Thank you to Jack Su for ensuring all the Working with Children Checks have remained up to date.

Thank you to David Rands for organising a fantastic line up of speakers throughout the year. The speakers have kept us greatly informed and in some cases created a long lasting impact on members of the club.

Thank you to Niranjana Deodhar for heading the District Conference committee ensuring Beecroft Rotary was well represented this year and for his efforts contributing to the website.

Thank you to Sophie Lloyd, Dave Anderson and Greg Keighran for all their efforts in assisting with editing and addition of content to the website throughout the year.

A big thank you to Jaythene for her efforts in organising and distributing weekly Monday night roles and pitching in when roles needed to be filled in, editing and updating of the website and for her efforts in delivering a detailed weekly pinion to keep our members well informed throughout the year.

I'd like to finally thank Cathy Sherwood for her exceptional efforts in assisting in many parts of the administration portfolio this included but wasn't limited to tracking weekly attendance and organising the weekly runsheet, following up on weekly task allocations, assisting in organising a number of social activities, keeping up to date on the welfare of the club members and for providing fantastic mentorship and guidance along the way with everything else administration.

Myself and the administration committee wish Daniel and his administration team nothing but success in the year to come.

**Christian Kirkendall**  
Administration Director

# FOUNDATION REPORT

## David Rands

The club has 8 Paul Harris Society members (\$US 1000 per annum), 9 Major Donors (gifts totalling over \$US10,000), 5 bequest society members (\$US 10,000 in your will for the Foundation)

We have 27 Centurions from our membership of 37 which is very good. However, 100% Centurion support is the Club's objective. Thank you to those who contribute.

To date our overall contributions to the Annual Fund will be down a little from last year due to lower club membership.

Project activity this year has not directly accessed our District's Designated Fund for new District Grants.

We are working with West Pennant Hills Cherrybrook and other clubs to support a project constructing toilets in India and Indonesia.

Earlier Global grants completed were in India supporting the construction of a voice and speech clinic, two vision centres, and youth training programs in East Timor.

Our total contribution as a club was about AUD 12000.

We will also present 5 Paul Harris Fellow recognitions at our changeover on 25th June, three to club members and two to people for outstanding community service.

**David Rands**

Foundation Director

# YOUTH SERVICE REPORT

Daniel Dummer

Beecroft Rotary broadened our Youth Service in 2022-23 with new opportunities for young people, while partnering with a wide range of local organisations to deepen our engagement with youth audiences. Highlights included hosting two rounds of Beecroft Youth Awards, launching the Beecroft Youth Scholarship, and establishing the successful Beecroft Spirit Gin fundraiser. These initiatives give practical support for young people to develop career skills and networking opportunities through community service, while strengthening our club's local relationships and public image.

## Giving practical support for young achievers

Youth engagement kicked off with our Youth Awards on 15 August 2022, with presentations for Volunteer of the Year, Apprentice of the Year, the Bill Grant Memorial Prize, and a range of Community Leader awards. Guest speaker Genevieve Langron shared how lessons she first learned at RYLA continue to shape her career, including in advising NSW Health during the pandemic response. About 60 people including club members, award recipients, families, friends and school staff were present for this special club meeting. Thank you to committee members Sophie Lloyd and Christian Kirkendall for their hard work.

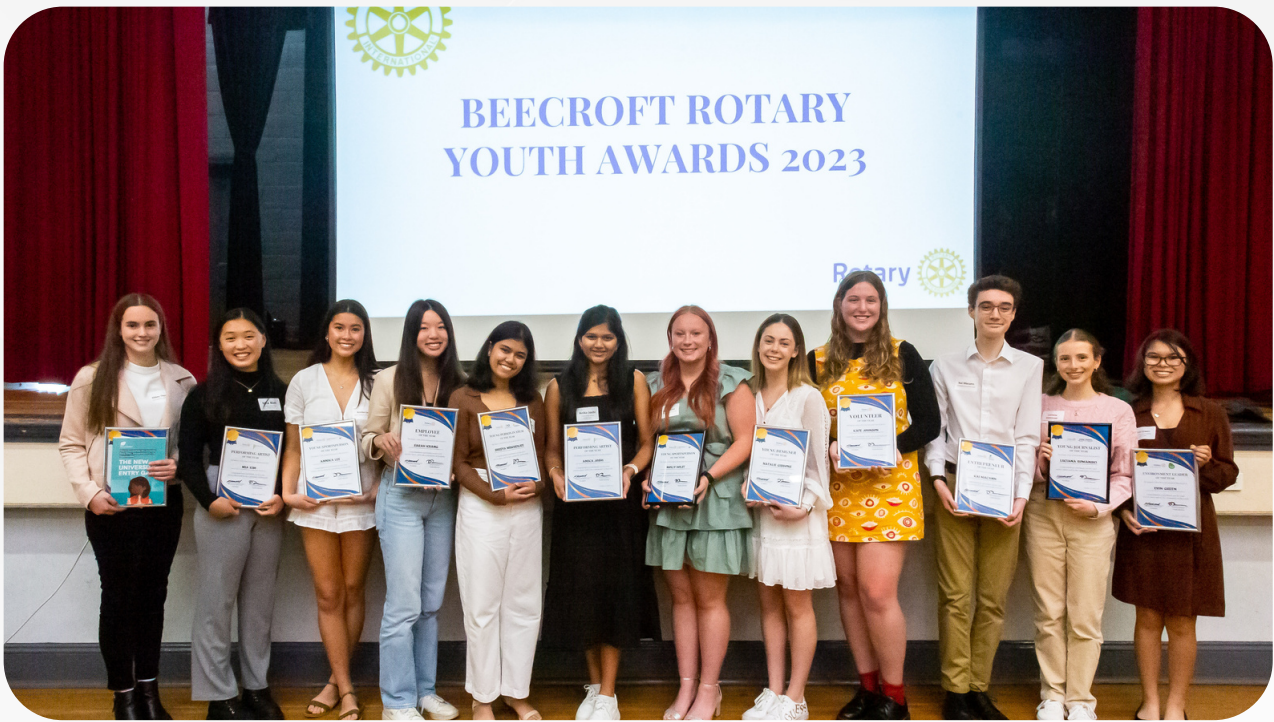

Youth Awards were planned again for Sunday 30 April 2023 to align with Youth Week and to allow Year 12 recipients to include the awards in their applications for early entry to university. Instead of forming an internal committee, a team of local students and alumni – Sofia Guistini, Jaime Pitcher, Georgiana Dumapit, Shabdha Kukunooru, and Hasti Rostami – collaborated to deliver a truly youth-led event. Their vision included a community afternoon tea to promote mingling, new award categories focussed on passions and careers, and practical prizes – such as mentorships and experiences – to help students take genuine steps towards their goals. Their insights and networks proved invaluable, generating 43 award nominations (compared to 12 previously) and deepening our relationships with local schools.

These awards became an even greater success than before, recognising 12 students in 9 categories, while bringing together 120 guests and over a dozen community groups as sponsors or supporters for the event. The Golden Kangaroos Concert Band performed musical numbers, Beecroft Guides and Loreto student Millie Hadwen provided catering, and guest speaker Nina Gbor enthralled everyone with her insights on sustainable fashion. Prizes spanned a wide range of passion areas, including journalism (having an article published in local paper *The Post*), entrepreneurship (mentor session with Enactus Australia), and sport (6 months membership at Snap Fitness Beecroft and consult with an EducationUSA college expert). All prizewinners also received a copy of *The New University Entry Game* by Art of Smart Education.

Both awards ceremonies were featured in *The Post*, and the second event particularly strengthened our club's local ties by bringing Rotary "to the community." Organic social media posts on Instagram, LinkedIn and Facebook spurred thousands of impressions. District Governor Mina Howard also attended and spoke glowingly of our work, including in her district update and in a toast to Beecroft Rotary at her own club.

## Building new pathways for youth service

Young people are typically motivated to make a difference, and they seek opportunities to volunteer which are social, impactful, and align with their values. Unfortunately they can face barriers such as cost and time commitment which limit their engagement with Rotary. This year, we trialled a novel “scholarship” approach to efficiently help young leaders to get involved in community service, while building an informal relationship with our club. The Board designated \$900, representing the equivalent of 5 x half-yearly membership dues, towards a youth project to be designed and delivered by a team of selected young leaders. This program was launched at the most recent Youth Awards, and a team of “Beecroft Youth Scholars” has been convened to plan a project to be delivered in the new Rotary year.

## Raising funds by raising a glass: Beecroft Spirit Gin

In a novel approach to fundraising, Beecroft Rotary partnered with Craft Foundry to create Beecroft Spirit Gin, a small-batch gin distilled with strawberry gum, lemon myrtle and rosella to reflect the flora of Beecroft.

After designing a label and hosting a tasting night to confirm the recipe, we hosted a rousing launch party at Hannah's Wine Bar & Restaurant in Beecroft Place, attended by over 150 guests and extensively engaging local business leaders and organisations. The gin was also stocked in Hannah's, The Verandah and Molly's Pavillion by agreement with Norths Collective. All 260+ bottles sold, raising \$2,649.78 for club projects.

In addition to coverage in *The Post*, the project was also covered in the global Rotary Magazine. Commemorating the club's 50th anniversary, Julian Leeser MP also cited Beecroft Spirit Gin, alongside the Preloved Bookshop and other club projects, in a 90 second Member Statement in Federal Parliament. The gin has been remarkably popular, with feedback from Molly's Pavillion indicating community interest in another batch.

A massive thank you to committee members Cathy Sherwood, Russell Zimmerman, Madeleine Sherwood, Dave Anderson, David Ellyard and Zenda Spry-Pohl, as well as extensive support and advice from Niranjana Deodhar, and a huge club effort in promoting gin - and club membership - on the launch night!

## Investing in life-changing Rotary experiences for young people

This year we were delighted to sponsor outstanding candidates for major Rotary youth programs: Stella Jeong (Year 12, James Ruse Agricultural High School) attended the National Youth Science Forum, Maddy Johnson attended the Rotary Youth Leadership Awards (RYLA) at Knox Grammar School, and Ben Jepsen completed the RYLA Oceania ELEVATE Program. All visited our club as guest speakers and spoke of the transformative impact they experienced through these programs. Maddy and Ben are also veteran facilitators at Summer RYPEN, so we were glad to invest further in their development as leaders. In addition, two students from Mount St Benedict College, Luella Negrón and Ava Bizzanelli, attended Winter RYPEN, which made a welcome return after a three-year covid-19 hiatus.

Beecroft Rotary also continued to support the Beecroft Public School Public Speaking Competition in September 2022, providing topics and helping to judge the grand final (thank you Russell!). The four top-scoring speakers (a boy and girl in each of Year 5 and 6) visited our club meeting on 14 November

with their families to present their speeches, and receive \$15 vouchers for the Preloved Bookshop! The following month, we were invited to present the Public Speaking Award to Katia Hales at the school's Year 6 Graduation.

In October 2022 we also hosted a fantastic student debate between Cheltenham Girls High School and Knox Grammar School. All speakers gave well-researched and engaging speeches on the topic, regarding the practice of *damnatio memoriae*, and victory was awarded via audience vote to the negative team, Knox.

Finally, we sought opportunities throughout the year to further strengthen key relationships. Daniel visited Hills Rotaract as a guest, the Rotary Club of Dee Why Warringah as a speaker, and met with teachers at Mount St Benedict and Arden to continue exploring opportunities for partnership.

Thank you to all club members who helped support our many youth programs and initiatives this Rotary year!

**Daniel Dummer**  
Youth Service Director

# VOCATIONAL REPORT

## Sophie Lloyd

The key event within the 2022-23 vocation remit was International Women's Day. The club celebrated this event across two weeks with two excellent guest speakers.

On 6 March, 2022 Strathfield Citizen of the Year Saroni Roy spoke of gender and racial inequality, and the establishment of the Saroni Roy Foundation.

On 13 May, the current club President Madeline Sherwood gave an overview of International Women's Day, women in Rotary, and her personal experiences. Madeleine's presentation sparked an engaged discussion amongst members, which included the introduction of women into the club in 1989. Madeleine and the club acknowledged their first female member, Denise Layton.

While the event itself has been delayed until the 2023-24 year, planning for the Vocational Awards night occurred during 2022-23. In addition to Pride of Workmanship, the awards were expanded to include a small business category and the Geoff Goldman Apprentice Grant, which previously sat within the Youth Awards. This change was made to focus the Youth Awards on school age students, and bring the grant within the other awards that focus on a demonstrated excellence within a profession.

**Sophie Lloyd**  
Vocational Director

# INTERNATIONAL AND MEMBERSHIP REPORT

Niranjan Deodhar

## Serving our global communities

Building on the work of the last few years, we initiated and completed a global grant project in partnership with the Global Wizards club of District 3150 in India. This project created two vision centres in collaboration with a renowned super speciality hospital, and Operation Eyesight, a Canadian NGO specialising in this subject. The vision centres will service two towns and help alleviate the risks of preventable blindness through subsidised early detection and intervention.

The club held joint meetings through Zoom with other partner clubs from previous year's global projects, for example the voice and speech clinic in Pune, India, and heard directly from the medical professionals on the ground who operate the equipment.

We have initiated more global projects to construct toilets in India as well as in Indonesia, which are expected to come to fruition in the coming year. The Indonesian project is in partnership with our neighbouring club of West Pennant Hills Cherrybrook. On the theme of collaborating with neighbouring clubs, we have sponsored one batch of trainees in the Rotary Youth Program of Enrichment (RYPEN) in Timor Leste, run by RC Pennant Hills.

## Members as our strength

A club will only remain strong if its members support it.

Our members are dedicated people who share a passion for community service, fellowship, and friendship.

Our Club has a clear and robust diversity policy which we value. Contributions to our Club, both monetary and in-kind, come from people of all different backgrounds of, which we highly value. Contributions come from all backgrounds, regardless of age, ethnicity, race, colour, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

The Rotary Club of Beecroft has 35 members as well as 3 honorary members. We inducted three new members this year.

Over the past few years, we have strengthened our membership base, participation, and engagement.

We are continuing to increase the representation of women and younger age groups, along with greater diversity to reflect the demographic composition of our local community.

**Niranjan Deodhar**

International and Membership Director

# PUBLIC IMAGE REPORT

## Dave Anderson

The year 2022-23 has been a year of rebuild and renewal.

Sophie and Jaythene have been busy rebuilding the website as to allow for better public facing usability.

We have also been working to conform to the new branding guidelines set by Rotary International.

Our goal for 2023/24 is to get more photos of the members on the website so the world can put a face the good work that the club has been doing over the 51 years in the Beecroft community.

The Bulletin and Pinion subscriber list has been growing to over 500 community subscriptions; made up of members, friends, and supporters in the Beecroft community. This figure is a highly enviable figure that few clubs can boast. It is from these bulletins a lot of friends of the club are kept in the loop of the good that we are going in the community.

The shop window in Beecroft Place has been carefully curated by Bob Catherall. From this window the people in the street can see firsthand what we do, and to build our passive community engagement. It is always exciting to walk past the window after it has change to see the new display.

Anzac Day in the Railway Gardens drew a large community attendance. Estimates were, that this was the biggest attendance that we have ever had. While Anzac Day is a community service event, it is a good opportunity to build our club brand and local profile. When Isha spearheaded the Young at Heart festival, she put public image front of mind. Her philosophy, which I share, is that all community service activities are opportunities to build our brand equity [of the Rotary Club of Beecroft] in the community.

The bookshop has been not only a financial stimulant for the club, but it has also been a great public image opportunity. The customers come for books but leave with the stories of the good we do in the world. It is these interactions that builds our public image in the community. The volunteers in the store often include high school students, whom prior to volunteering were unaware of all the great opportunities that the club is able to provide them, such as Model United Nations Assembly, RYLA, and Rotary Youth Exchange.

On social media, Jaythene has been carefully administrating the Facebook and Instagram accounts. These give us the opportunity to give live announcements to the community via the live features, and to tell stories. For 2023/24 one of our goals to redesign our club pennants. With the world opening, our collaboration with clubs around the world only increases. The exchanging of banners are a symbol of friendship and a reminder of goodwill between clubs.

I would like to thank my amazing board for all the hard work they have put in this year, and I look forward to continuing the work we do in 2023/24.

**Dave Anderson**  
Public Image Director

# COMMUNITY REPORT

Greg Keighran

## Living Treasures and Young at Heart Festival

This was held at the Beecroft Arcade on Saturday 22 October 2022 with the photo hunt registration and the colouring competition for the younger generations. It was an amazing time being out in the community and seeing people of all generations enjoying a wonderful day and the delightful musical entertainment on offer.

At the Living Treasures High Tea at the Beecroft Community Centre we recognised a further six (6) Living Treasures (Dr Prof, Elizabeth McCusker, Patricia Dewey, Lucie Gabb OAM, Ross Walker OAM , Sandra Ross , Dr Tom Reeve and Sheila Woods) joining our six(6) original Inductees from 2020.

Congratulations to Vinita and her team for such an incredible day and for bringing us back to the meaning of Community Spirit. It is important to remember that community events such as these cannot happen without the volunteer hours of both the community and our Rotarians.

## Polio Train Ride 2022

World Polio Day is Monday 24 October, and we know what that means .... It is the Polio Train Ride!!!!

Mark and Dave Anderson rode the trains all day collecting donations for Polio and were joined by members of the Rotary community throughout the day. Mark and Dave came through Beecroft Train Station at 3.54 pm and members of our Rotary club were there to give them a wave and support them as they headed into the afternoon stretch of their travels. President Madeleine met Mark and Dave at Town Hall Station to travel with them for a couple of stops and give them our Rotary Club of Beecroft donation of \$1950 at \$10 per station.

## Carols 2022

Carols was reviewed by our Community Service members and Board with our current venue – Beecroft Village Green under partial redevelopment with a bike track through.

**Greg Keighran**  
Community Director
